

Applications for Academic positions

The Faculty of Medicine at the Hebrew University of Jerusalem (<http://medicine.huji.ac.il>) is accepting applications for tenure track (Lecturer/Senior Lecturer-Assistant Professor) positions beginning October 2012. Research areas include: Biochemistry, Molecular Biology, Developmental Biology, Cancer Research, Immunology, Medical Neurobiology, Microbiology and Molecular Genetics (School of Medicine) and Medicinal Chemistry, Pharmaceutics and Pharmacology (School of Pharmacy).

Candidates who hold a Ph.D. and/or M.D. degree that demonstrated excellence and creativity during their doctoral and postdoctoral training should apply. Successful candidates are expected to carry out independent competitive research programs while participating in undergraduate and graduate teaching. Applications should include: curriculum vitae, list of publications (including impact factor of the journals), a passport picture and a summary of present and future research plans (no longer than 3 pages). Candidates should also solicit three letters of recommendation on their behalf from prominent scientists. Those letters should be sent directly to the dean's office (see below).

Complete applications (including the three letters of recommendation) should be sent by e-mail to the Dean's office at anap@savion.huji.ac.il **no later than November 1, 2011.**

A copy of all material should also be addressed to Prof. Shulamit Katzav-Shapira, Chair of the Search Committee of the Faculty of Medicine (shulamitk@ekmd.huji.ac.il).

The Faculty's Search Committee will review all applications and decide on a short list of candidates, who will be invited to visit the Faculty of Medicine during December 2011 or the beginning of January 2012.
